

P/2020/0716 Revised Plans received 12/11/2020 from applicant

Proposed agricultural building, adjoining A483, Llyndir Lane, Rossett, Wrexham LL12 0AU

I have enclosed a picture of a shed that looks the same as the planned shed. Also a detailed drawing of the building in position on the field and the measurements from the main road ect. and where the rain water is going to go there is a large ditch running behind and it will be directed at that.
