06/10/2020

Dear Sir/Madam,

**PROPOSAL: DISCHARGE OF CONDITIONS 5 AND 8 OF PLANNING PERMISSION  
P/2019/0558 (ECOLOGY)**

**LOCATION: HYDRO ALUMINIUM DEESIDE LTD, BRIDGE ROAD, WREXHAM  
INDUSTRIAL ESTATE, WREXHAM**

Thank you for consulting Cyfoeth Naturiol Cymru / Natural Resources Wales about the above, which we received on 29/09/2020.

**We have no objection to the discharge of Condition 8 and provide the following advice.**

**We have no comments to make with respect to condition 5.**

**Protected Species**

We have reviewed the submitted conservation plan (reference Roe, R.; 2020; Hydro Aluminium Deeside, Wrexham Industrial Estate: Conservation Plan; Kingdom Ecology; Unpublished) and consider this to be satisfactory for the purposes of discharging Condition No 8 .

However, we advise that European Protected Species (EPS) derogation licences (issued by Natural Resources Wales under the provision of Regulation 55 of the Conservation of Habitats and Species Regulations 2017) may be required for the management prescriptions identified in the ecological submission.

**Other Matters**

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is

published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yours faithfully

**Tristan Williams**
