4. Description of Proposed Works

Please describe the proposed works:

Installation of brand new (sympathetic) lodge effect mobile home (static caravan) sited in our garden within our 2.4 acre boundary. We intend for the drainage, water and electric to be shared with our property. Access would be from our existing drive. The intention is for my elderly parents to live in the mobile home. My mother has severe Alzheimer's/dementia and my father who is not of great health having battled bladder cancer and aneurysm is really struggling to cope without family help full time. They currently live in Elton, Chester and insisting on keeping their independence. Enclosed please find pictures and dimensions of the mobile home in question along with land registry deed outlining proposed position, photographs showing locality within our land. I can't stress the importance of this, my father is at his wits end mentally and physically and refuses understandably to simply put my mother in a home. With my mother's dementia, outside help is out of the question.
