Subject: [DKIM:INVALID] Planning Application P/2020 /0591

Dear Sarah,

Thank you for the consultation on the above application for a single storey rear extension at the Youth Club along Wat's Dyke Way, Wrexham. Although there will be no direct archaeological impacts from the proposed extension, there may be a setting impact with regards the scheduled section of Wat's Dyke which lies to the immediate west of the application site. In this instance I would advise consultation directly with Cadw (Neil Maylan at cadwplanning@gov.wales) as they will be able to advise further on this.

Kind regards,

Sophie Watson
