Hi,

With regards to the below, I am going to post the Geo environmental Phase 1 Appendix to the Council's offices, and I have attached the Transport Assessment to this email which I have split into 3 parts due to the file size. Please await further emails.

To confirm, these documents are in relation to the application made by Norris Jones Developments at Land off Hillock Lane, Gresford.

I'd be grateful if you can please confirm safe receipt of these documents.

To whom it may concern,

With regards to a planning application we are submitting for a residential development in Gresford, we have some large files to upload which were too big for the planning portal. Please can you advise how we can send these documents across? i.e. We Transfer or another file sharing platform that the Council can access?

Kind regards,

Lucy
