Subject: Five Fords Low Carbon Development Reference P/2020/0363

To whom it may concern,

Out of interest, I would like to register my support for this site establishment. Reference [P/2020/0363](#). As a Horticulturist myself, with knowledge in Low Carbon food production, this site will do wonders for local employment and the environment. Moreover, as a trainer at HMP HMP Berwyn, I would aim to send trained men, upon release, for employment at this site to help with offender reduction.

Many thanks,

Robbie
