- Notes:
1. The Contractor should check all heights, sizes and dimensions on site before works commence and any errors should be reported to Woodsyde Developments Limited.
 2. Figured dimensions shall take preference to scaling, with any errors reported to Woodsyde Developments Limited.
 3. The existing street lights lanterns mounted on the telegraph poles (2 no.) on Ellesmere Lane between the site access and the A539 shall be replaced with LED lanterns in accordance with WCBC street lighting specification.
 4.  An indicative street lighting layout has been shown to the estate road for existing Phase 1 and Phase 2. These shall be 6m aluminium columns with LED lanterns to WCBC Street Lighting Guide and Specification.
 5.  The 2 existing street lights between the junction of Ellesmere Lane with the A539 and the site access shall be upgraded with the lanterns provided as LED lanterns to the WCBC Street Lighting Guide and Specification.
