Copyright of this drawing is vested with Eaton Richards, it shall not be used without permission for any purpose. This drawing is to be used in conjunction with the contract and shall not be used for any other purpose. Any reproduction, copying, or distribution of this drawing without the written consent of Eaton Richards is strictly prohibited.

Scale dimensions should be confirmed on site. Dimensions provided are for information only and are not to be used for construction purposes. The contractor is to perform work in such a manner as to ensure the safety of all operatives and the public, and to avoid any disturbance to the surrounding area. The contractor is to be responsible for the design and supply of all temporary works, and to ensure that they are designed and constructed in accordance with the relevant standards. The contractor is to ensure that all temporary works are removed as soon as they are no longer required, and to ensure that the site is left in a safe and sound condition.

It is the contractor's responsibility to ensure that the drawing is used in accordance with the contract and to ensure that the drawing is not used for any other purpose.
