Subject: Planning appeal Ref: H6955/A/19/3238474

To whom this may concern,

I am writing with regard to the planned acquisition of 'Land North of Gatewen Road, New Broughton.'

This is referenced on the letter addressed to myself as - P/2018/0674

I support the appeal from The Planning Inspectorate, as I have only recently moved to New Broughton, and myself and my partner did so knowing it was a quiet and rural area.

We are opposed to the proposed planned dwellings, as this would replace the lovely view we have from our bedroom window. And would, I imagine, eventually be the domiciles for Glyndwr University students, which would only bring the chance of a noisy area to live in, which is home to many elderly persons.

Please regard this as an official opinion with regard to the appeal in process.

Kind regards,
Philip Weston.

1 Greenfield Terrace, Gatewen Road.
