Dear Ms Holman,

Re: West Darland Hall, Darland Lane, Rossett, Wrexham, Ref P/2019/0868

Thank you for consulting us on this application. We have reviewed the documents available on your website.

We do not wish to comment in detail, however we wonder why the choice has been made to introduce a crittal window into the drawing room. The creation of a new opening seems acceptable in principle, but we wonder if a modern-looking door might look slightly odd in this position?

We are happy to defer to your conservation officer, but believe that this aspect of the application might be worth reconsidering.

Yours sincerely,
Lucie Carayon
