

South Elevation

**All dimensions are to be checked on site prior to commencing work.
DO NOT SCALE FROM THIS DRAWING.**

NOTES

Scale 1 / 50

A dimension line with arrows at both ends, indicating a length of 5250.

The image shows a technical drawing of a mechanical part. The part has a central rectangular hole. On the left side of the hole, there is a semi-circular cutout. The part is surrounded by a hatched material, which is typically used to represent a cross-section of a solid material. Red lines are drawn on the drawing, indicating a specific feature or a cross-section. The red lines form a semi-circular shape on the left side of the hole, matching the cutout. On the right side of the hole, there are two vertical red lines, possibly indicating a specific feature or a cross-section. The drawing is a black and white line drawing with hatching and red lines.
