Hi Sharon

Please find attached drawing showing car parking spaces for Q Fitness at unit 105 Coed Aben road.

I have allowed for 11 vehicles due to our busy times being between 5pm - 10pm and the local businesses to us will be closed at this time and we can use the car parks as overflow if required. We are also as a business will be offering members Benefits if they commute to the gym by walking or cycling etc to save on car space at our facility.

I believe 11 spaces will be perfect for our gym facility and allow for the members that would be attending our gym between 9:00am - 5:00pm a place to park.
