Subject: RE: P/2019/0650 and P/2019/0651

Dear Philip,

Please find attached the amended report with the alterations as per the NRW comments for both applications.

In summary, the following have been added:

1. The following has been added to the conclusions:

‘Should work not proceed on any section of the building within 12 months of approval then repeat bat surveys will be completed and submitted to the LPA.’
2. Further information has been added about an appropriate lighting scheme.

Also, the Ecological Clerk of Work (ECow) will be as follows:

Sue Worsfold BSc ACIEEM
Lyngarth, Ellesmere Road, St. Martins, Oswestry, Shropshire SY11 3HT
01691 772310 / 07752 105600
s.worsfold@hotmail.co.uk

Please can you confirm that based on the above the protected species conditions for both applications can now be discharged?

And also can you confirm that after these conditions are discharged we can start work on the main barns, since as far as I am aware this is the last condition left to be satisfied prior to being able to start works on the main barn buildings?

Have a good weekend.

Best regards

Hi Amanda,

I've received the following comments. In the interests of wrapping this up, can you pass this attachments onto your consultants and seek the recommended alterations and additions to the submitted reports on both applications. The documents feature the relevant planning reference numbers to differentiate between the two sites.

Kind regards

Phil

Hi Philip,

I still didn't hear anything regarding the discharge of conditions below.

Can you please let me know what is happening?

Best regards

Dear Philip,

With reference to the following:

P/2016/0527

P/2016/0528

Regarding the 2 attached discharge of condition applications for the protected species report and mitigation for the development at Althrey Hall Farm Barns, Bangor-on-Dee, I didn't hear anything back and it has been many weeks now.

Please can you let me know when I can expect to receive a response?

Best regards
