Hi Sharon,

Do you intend that it will go the next committee meeting and can you confirm the date that your report will be available?

The maximum number of dogs that will use the field at any one time is 14, with me present (play sessions). There has to be a minimum of 1 handler per 2 dogs at these types of sessions also.

Without me present (exclusive use) it is circumstantial, but would be around 8-10 dogs.

In most cases, the field is used for 1-2 dogs and their 1-2 handlers at any time.

If you need any further information please let me know.

Kind Regards,

Rhian
