Dear Ms Williams,

RE: CASE No. P/2019/0046, LODGE FARM, BORRAS ROAD, COMMONWOOD, LL13 9TE
CC: Planning Appeals Dept.

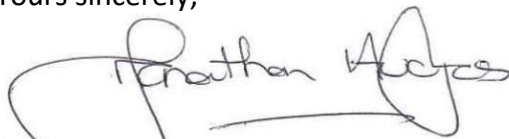

As the owner of Park Lane Kennels at Moss View Farm, Park Lane, Parkside, Rossett, LL12 OBL, I am writing to express my opposition to the plans associated with the above case number for change of use of land from agricultural to use for clay pigeon shooting and as a practice rifle firing range.

I am objecting on the grounds that the noise levels and frequency of the noise represents a serious and unacceptable noise nuisance not only to the staff and customers at the kennels, who by necessity must be present during the proposed hours of operation, but also to the resident animals, the majority of which are domestic house pets.

As a long-established and reputable boarding kennels, we must prioritise the welfare of those animals entrusted to us, the majority of which are not used to the frequency, volume, type and character of such noise.

Therefore, I must object to the above planning application and any associated appeals.

Yours sincerely,
