

Waste Management Plan

Site Details

Bar & Restaurant 38 – 41 High Street, Wrexham, LL13 8HY

Collection Point

Containers are to be placed outside at the front of the building on the High Street. All waste containers will be returned to the waste bin compound after services have taken place.

Service Schedule

Service day: Tuesday & Friday
Service Time: 7am and 9.30am

Containers & Waste

Two x 240 EURO Containers for Food
Two x 240 EURO Containers for Glass
Two x 240 EURO Containers for Cardboard
Six x 240 EURO Containers for General Waste

Waste Management Provider

As part of our own internal waste management plan, we will endeavour to reduce, reuse, recycle and recover as much waste material as possible.

Gaskells Waste Services will be our waste management provider. All collections will be made in line with the agreed service schedule. Additional services, or changes to the scheduled services can easily be accommodated

All waste collected will be treated for further recovery at their Materials Recycling Facility (MRF) based in Bootle. All recoverable material will be separated leaving the residual waste to be baled, wrapped and used in Energy from Waste (EfW) facilities ensuring our waste is 100% diverted away from landfill. Recycle Standard Iconography will be present on each container type in both the Welsh & English language.

Legislation & Paperwork

Waste transfer notes will be provided for each waste collection completed. Annual Duty of Care paperwork will also be provided in January each year.
