Subject: P/2020/0007

Sharon,

It has been noted that this application is proposing to demolish and relocate the electrical sub-station. The current sub-station may have residual contamination present as a result, would it be possible to recommend a site specific condition requiring them to carry out a contamination assessment of this specific part of the development?

Kind regards
Stacey

Stacey Inglis MA (Hons) Msc
Contaminated Land Officer
Swyddog Tir wedi ei Halogi

Please note that I am in the office Wednesday to Friday, I will respond to your email on my return. If the matter is urgent and you require further assistance please contact Angela Guy (01978 298771).
