The findings of report "Roadway Civil Engineering & Surface Ltd Planning Conditions P/2018/0132" received 7th June 2019 are accepted in relation to dust suppression and noise.

The above report also references a concrete batching plant in section 6.1. This is a prescribed activity under the Environmental Permitting (England and Wales) Regulations 2016 (as amended) which requires a Part B permit prior to use. An application form is available on the Councils website, or alternatively one can be obtained by contacting Environmental Health and Housing Standards.
