Subject: [DKIM:INVALID] P/2019/0744 Stable Block at Chapel Farm, Newbridge Road, Newbridge

Dear Philip

Thank you for the consultation on this application.

I can confirm that there are no archaeological implications within the footprint of the proposed development area.

As the development will be located within a few metres of the Grade II* listed Newbridge Viaduct the Built Heritage Conservation Officer should be consulted as a setting impact assessment may be required to support the application.

Kind regards

Mark Walters
