Hi Sharon

Unfortunately we would not be able to accept this summary report in its present form for the following reasons:

1. There is no location plan of the plot & its surroundings
2. There is no location plan of the trenches where the watching brief was completed for future reference.
3. The report submission does not meet the Welsh HER submission guidelines attached (no Welsh non-technical summary at the start)

The archaeological contractor would need to re-submit this report and also send it to the CPAT HER via Gary Duckers gary.duckers@cpat.org.uk

Kind regards

Mark Walters

Hi Sharon

Yes, that is what the earlier email confirms. The watching brief condition is normally two-part with approval of a WSI first and then approval of a final report and archive deposition when the fieldwork has been completed. I had a look at Condition 6 and it is this style of condition.

So we have approved the WSI and choice of archaeological contractor at this stage.

Kind regards

Mark Walters
