Dear Sharon,

Conversion of existing range at Knolton Hall.

Thank you for consulting with the SPAB. Please find attached pdf copy of our response. You will note in the letter that we have requested further details regarding the impact of the new carport. There is very little information include within the application regarding the impact of this on the setting, we suspect that this will be quite visible and will bridge the current separation between the Hall and the range buildings.

Do let me know if you have any queries.

Kind regards,
Elgan
