Hi Pete,

Thanks to you also for taking the time to meet me at the site.

The plan looks fine. I have passed our comments this morning onto my colleague in Newport and they are also fine with it. It's just common sense.

Now that planning permission is almost complete I have done a PO for our contractors so they can order the fencing. I am hoping we can start as soon as possible when the fence arrives. As discussed we will aim to get the fence erected along the footpath first so the footpath will be clear and usable. I will pop in and see the community council regarding the 3 street lights. I will keep you informed once we start and you are more than welcome to pop down.

Thanks once again.

Regards

Ian

Ian

Thanks for the meeting this morning.

Please see attached plan I have prepared indicating the agreed line of the boundary fence. I think it's as accurate as it can be on the size of plan.

Having discussed the fence with you I'm sure it will erected as we discussed.

Please confirm you are ok with the plan and I'll get it over to Kev Hughes so he can approve the planning application.

Thanks again for your help this morning

regards
