Matthew,

The revised FCA (version 1.1 dated July 2019), does provide detail of an indicative drainage scheme for the site that would appear to satisfy our normal requirements. If implemented as detailed then I have no further comments.

Many thanks

Neil

Neil,

Sorry to chase but I don't seem to have had any further comments from you on this one. Please note I have also had a response from NRW now – see attached.

Matthew

Neil,

The attached have been submitted in respect of P/2018/1047. Not sure if you will need further info or if this addresses your comments. Please note that the application has now been amended so that it only proposed 1 new dwelling and the demolition of the existing dwelling – see attached also.

Regards

Matthew Phillips
