TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Location: O. S Grid Ref: 2780 4650 Ysgubor Ganol, Ty Canol Road, Penycae
Development: Extension to existing cattery

I refer to your consultation dated 17 December 2018 in respect of the above.

The site is located on a classified highway subject only to the maximum speed limit although vehicular speed is considered to be no more than 30mph due to the geometry of the road. Adequate visibility is provided at the existing site access.

Ty Canol Road is generally less than 4m wide and does not permit the simultaneous passage of two vehicles although this does not cause too much problem as there are numerous passing areas on approach to the site.

The proposal is likely to generate an insignificant amount of additional traffic which is considered will have no detrimental effect on the highway network.

Adequate off road parking is provided within the curtilage of the site.

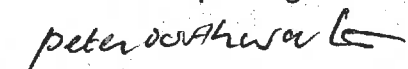

I recommend any permission include the following conditions:
