Having 're looked at this planning application ,I have not changed my mind as to this being a very dangerous place ,to increase housing to include this application .

Currently there is a subsidence issue ,Arriv a objected ,there are innumerable exits/ access,points in a very short amount of space!

Currently there will be sufficient housing within several hundred yards!
This is becoming a dangerous corner,and have had more than its share of accidents recently!.

I feel that this would be one application too many!This has been placed before the Community three times previously!

Yours faithfully,

Phyllis Ann Davies.

Comm!unity Councillor.
