Hi Rhodri,

Thanks for your email. I have considered the application on the basis that the number of residents will increase on the site. The planning documentation appear to suggest that this will be in the region of 50-60 bedrooms.

Kind regards

Phil

Dear Phil,

Thank you for the email you sent into my colleague Alaw earlier in the month, Alaw is now on maternity leave and I am covering Wrexham for her.

I have reviewed the detail provided by the applicant, what we would ideally need is whether the proposed works will involve an increase in residents at the Nursing home, I am happy to clarify this directly with applicant, would you agree with this?

Kind regards,

Rhodri
