Your Ref P/2018/1066

Our Ref CRTR-PLAN-2019-26354

Wednesday 16 January 2019

Dear Mr Forster,

Proposal: Display Of Tourist Information Sign

Location: Visitor Car Park, Land North Of Trevor Basin, Off Tower Hill, , Wrexham

Waterway: Llangollen Canal

Thank you for consulting us, as required by Article 12(1)(d) of the Town & Country Planning (Control of Advertisements) Regulations 1992 (as amended).

We are the charity who look after and bring to life 109 miles of canals in Wales. Our waterways contribute to the health and wellbeing of local communities and economies, creating attractive and connected places to live, work, volunteer and spend leisure time. These historic, natural and cultural assets form part of the strategic and local green-blue infrastructure network, linking urban and rural communities as well as habitats. By caring for our waterways and promoting their use we believe we can improve the wellbeing of Wales. The Trust is known as Glandŵr Cymru, the Canal & River Trust in Wales and we are a statutory consultee in the Development Management process.

The Trust have reviewed the application for advertisement consent and consider that the proposed orientation panel would assist in improving the visitor information and interpretation at the entrance to this important tourist destination and would not cause any harm to the amenity area. We have **no further comment** to make on the proposals.

Please do not hesitate to contact me with any queries you may have.

Yours sincerely,

Tim Bettany-Simmons MRTPI
