**Subject:** RE: Pre-Application Consultations - Kronospan Ltd.

Andrew,

Thanks indeed for your understanding.

Our Planning Committee met on Wednesday July 19<sup>th</sup> and considered both Pre-Application Consultations. We were able to loan the 2 volumes with all the supporting papers from Kronospan reception.

The Councillors have been invited to visit the factory to help them further understand the programme of improvements that is coming about. In the light of this planned visit we will be better briefed for when these applications are formally submitted.

At this stage the Councillors would like due consideration given to the choice of colour of the exterior – grey in their view does stand out. They would like a green instead.

You and I discussed this briefly at the Public Event on 6<sup>th</sup> July at Chirk Parish Hall and you gave an explanation over why grey is preferred and I did attempt to explain how you came to choose a grey. It seems I did not convince them !

Kind regards,

Shaun Jones
