Hi Mared

Thank you for your email.

It will be a private hire business, mainly airport transfers.

Operational hours can vary due to the nature of the work.

People book in advance, so there will be no clients calling at the property. They will arrange travel by calling my mobile.

As they are mainly airport transfers bookings can usually be between 2-4 weeks in advance however smaller transport requests could be a few days notice; there is no set timescale.

If you require any further information please do not hesitate to contact me.

Kind Regards

Dave.

Hi David

Can you please provide some information regarding the nature of the business.

What are the operational hours?

How do customers book for the vehicles?

How does the booking system operate? How far in advance do customers have to book?

Thanks

Mared
