Dear Sharon

Thanks for the revised DBA/WSI. I can confirm the revisions are approved.

We assume the pre-determination evaluation will go ahead now and look forward to receiving a report when it is available.

Kind regards

Mark Walters

Good morning Sharon

Thanks for sending the desk based assessment report and the written scheme of investigation (WSI) for Henblas Street.

I have asked for minor changes to the WSI and DBA in line with the new Welsh Historic Environment Record submission guidelines. Both reports are otherwise OK though.

The DBA indicates an archaeological potential at the site from the late Medieval period onward and the WSI sets out the pre-determination trenching methodology. We still need to see the results of the evaluation trenching before commenting further.

Kind regards

Mark
