Dear Mr Forster,

Further to confirmation that foul water from the proposal will eventually drain to the main sewer, we confirm that we have no objection to the application.

Kind regards,

Gareth Thomas

Hi Philip,

Thanks for your email.

There aren't foul drains required by the build.

The cleaning down of the cattery will produce some foul water & it is intended that this be poured by bucket into the grate at the rear of the property that is already connected to the mains sewer.

Is this email enough confirmation on it's own or do you require a separate letter?

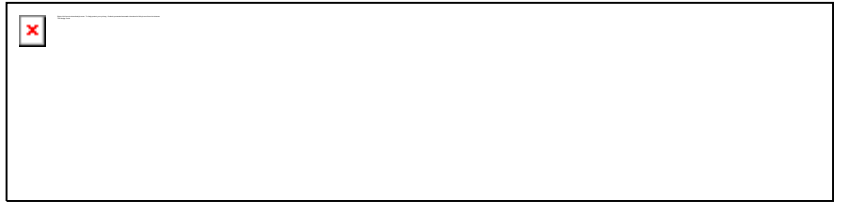

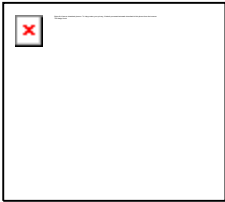

Kind regards,

Barnaby Robinson

Ein diben yw sicrhau bod adnoddau naturiol Cymru yn cael eu cynnal, eu defnyddio a'u gwella mewn modd cynaliadwy, yn awr ac yn y dyfodol.

Our purpose is to ensure that the natural resources of Wales are sustainably maintained, enhanced and used, now and in the future.
