Subject: My ref: P/2016/0871 - land of Blast Road, Brymbo

Hi Paula/Denise,

I know the answer to this already but I wanted to make sure it was on the file.

I have an outline scheme on Blast Road in Brymbo for up to 17 dwellings. It's a renewal of a renewal of a renewal etc and we have previously not asked for education contributions. Members have asked for clarification as to whether a contribution is required on this renewal and given the nature of previous answers to Brymbo development proposals I assume the answer is yes?

Could you confirm for me? I appreciate the final figure will be based on dwelling scale.

Thanks

Phil
