NRW response

Hi Joy,

Yes sorry about that. We had a power cut in the town centre which affected the phones.

There won't be anything else available other than is on the planning submission. I presume your concern will relate to the availability of a nearby sewer and not needing to rely on a private system.

I did speak with Dwr Cymru earlier today to clarify a matter in relation to the paper work. I assume their response will be received imminently. I'm happy for you to respond as you see fit and I can come back with further info for you later on?

Kind regards

Phil

Hello Philip,

Don't know what happened there and there's no response when I'm ringing Planning.

Just to confirm, I wondered whether there was any further info on foul drainage available as we have nothing to go on and I don't want to send a significant concerns letter if they're already planning on going to mains.

Regards, JOY
