Subject: P/2018/0423 Reserved matters for Ruabon Buisness Park Site, Ruabon, Wrexham

Dear Philip

Thank you for the consultation on this application.

P2018/0555

There are no recorded archaeological sites within this development area and there are no archaeological issues highlighted as a reserved matter.

The Wynnstay registered park and garden essential setting lies to the south and the scheduled section of Offa's Dyke lies 400 metres to the west. No objections were raised for the outline permission relating to these designated sites.

We therefore have no issues to raise in relation to the reserved matters application.

Kind regards

Mark Walters
