Philip

Thank you for consulting with this department. I can confirm that we were not aware of a Childrens home opening up in Wrexham. I would like to express my concern at the proposal for another children's home to open in this area given the large number of privately owned ones already in existence in Wrexham. This has been of concern historically as these establishments impact on services here for example very often these establishments will require services from Police/health/ CAMHs/ Youth Justice Service and Social Care with no additional resources provided to meet increasing demand.

Regards

Francine

Hi

We have received this from planning. Are you aware of this organisation and what they are intending and would you want to provide any response as part of the consultation. I have spoken to Phil and he would need any response early next week. Give me a ring if you need any more info

Thanks

Sheila
