Hello Sharon

Thanks for the evaluation report. This meets our requirements and is therefore approved. We will need to talk to the developer about their intended foundation design to see what they can leave in place.

Do you have an email contact address for the agents/applicant ?

Kind regards

Mark

Hi Sharon,

Please see attached for the latest draft of the Archaeological Evaluation Report in support of the proposed development at Henblas Street. Please note, the draft description is due to the lack of the Welsh translation only – all other content is final. The translators are apparently stacked out at the moment so we thought it best to send across the report in English only to (hopefully) enable CPAT to commence their review.

Please can you confirm receipt of this report. I will follow up with the translated version as soon as possible.

Thanks Sharon,

Best regards,
Craig
