Subject: P/2018/0685 - EAST VIEW COBBLERS LANE BURTON ROSSETT WREXHAM (major) P/2018/0685 V3 - NRW Response NRW:01112537

Dear Sharon Holman,

NRW have reviewed the additional information that the applicant have submitted and although it is show how there will be a reduction rainwater entering the slurry store, the applicants have not provided calculations to show that they are compliant with the 4 month SSAFO storage requirement.

Therefore, rather than revising my previous response of 15/11/2018 at this point in time, may I request again information “to prove that their store would comply with the SSAFO regulations”.

Please do not hesitate to contact me if you would wish to discuss anything further.

Kind Regards
Siôn Williams
