I don't think that the community council signed the lease that they were supposed to have on the MUGa but I will check.

Yes we need the £10k for maintenance please

Thanks

Hi Denise/Martin,

I'm looking at a renewal planning application for residential development as shown on the attached pro-printer.

The last application included a s106 agreement to pass on the MUGA to the Council with a commuted sum and a right of access over. Can you tell me whether there has been any transfer of the MUGA over to us?

Thanks in anticipation,

Phil
