

KEY

 Schwegler 1FE Bat Box and Back Panel. Boxes to be positioned on North East West and Southern Elevations as noted on the drawings. Boxes to be positioned at soffit height on all elevations, boxes are not to be placed above doors or windows and preferably on exterior walls to bathroom, hallways etc. Security lighting to be so positioned as not to directly illuminate the boxes. Street lighting to be posited away from the box locations where feasible or alternatively reposition the bat boxes
