Matthew

Please find attached the text of the Verification Report, it is a huge document and just crashed when I tried to attach it all, I can provide the whole document when I'm in the office tomorrow if you need it (I also have the SI report, also large so again will provide tomo).

Also attached is the email I sent to Kevin to confirm we were ok with it but recommending NRW comments be sought.

Thanks Angela

Angela,

Has Kevin consulted you on the above – it is the discharge of condition application for conditions 03, 04 and 05 of P/2014/0101.

There doesn't appear to be a report on the file but it looks like you have had some previous correspondence? Do you have a copy of the report can if so can I have a copy of the front sheet for the file?

Thanks

Matthew
