Dear Anna

The Godsals have asked that the layouts be changed again..can you possibly look at this. Very similar but subtle changes and the arch that you discussed previously with Phil on the Park side elevation is now included. IT makes much more sense from the layout point of view, is on a minor elevation and general relates the building to the Park which is important.

I will contact you tomorrow to discuss this, hopefully I will be able to catch you.

Best Wishes
Clare
