Hi Holly,

No problem at all for an extension of time. I'll mark my file for end of play on the 13th Nov. I have received a short email from the applicant which may help you with your response (see attached).

Let me know if there is anything else I can help with,

Thanks

Phil

Dear Mr Forster,

Thank you for consulting us on the above application. We are trying to assess the surface water drainage system. Although it is clear that the arena has drainage and there is a pond next to it, it is not clear whether and how these connect. We would therefore like to request further details of the drainage system from the developer.

The developer's details have been redacted and therefore we cannot contact them directly. Would you be able to forward this on to them?

Best wishes,

Holly Tomlinson
