EFFLUENT; CONDITION 6 - SUBMISSION OF DETAILS OF SYSTEM FOR THE
MANAGEMENT OF SURFACE WATER RUN-OFF FROM THE SITE**

**LLEOLIAD / LOCATION: MAELOR FOODS PICKHILL LANE CROSS LANES
WREXHAM**

Thank you for consulting Natural Resources Wales (NRW) on the above, which was received on the 31st of October 2017.

Whilst we did not request Condition 5, we nonetheless wish to confirm that we have no objection to being discharged. We have no comments on Condition 6.

We can confirm that NRW has granted the separate permits for the effluent treatment plant and the package treatment plant for foul drainage, that the applicant refers to in relation to their discharge of Condition 5.

Please do not hesitate to contact us if we can be of any further assistance to you or if you wish clarification on the above.

Our comments above only relate specifically to matters that are included on our checklist "Natural Resources Wales and Planning Consultations" (March 2015) which is published on our website: (<https://naturalresources.wales/planning-and-development/planning-and-development/?lang=en>). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests, including

environmental interests of local importance. The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure that they secure all other permits/consents relevant to their development.

Yn gywir / Yours sincerely,

Holly Tomlinson

Cynghorydd Cynllunio Datblygu / Development Planning Advisor
