Dear Matthew,

Thank you for the Biosecurity Risk Assessment. In our view, the submitted Biosecurity Risk Assessment (reference Page, M. (2017). Biosecurity Risk Assessment: Pont Adam Crescent, Ruabon. Cheshire Ecology Ltd. Unpublished) has been submitted to a satisfactory standard.

We therefore have no objection to the full discharge of Condition No. 7. We remind you that we previously advised that condition 11 may be discharged.

Regards,

Gareth Thomas

Dear Emma,

Here is the revised Biodiversity Risk Assessment.

I am sorry for the confusion, but I normally call them Construction Management Plans. They seem to be the same thing!

Please let me know if there are shortcomings and I'll revise it accordingly.

Best wishes,

Martin
