LOCATION PLAN

This drawing and the works depicted are the copyright of Design and Planning Associates Ltd (DPA) and may only be reproduced with written permission. No alteration to the design or specification in part or whole to be made without the written approval of DPA.

All dimensions and levels depicted are subject to checking on site. Any discrepancies to be immediately notified to DPA. Figured dimensions only to be used.

The information contained in this drawing must only be used at the named location. The location of any services indicated on this drawing are approximate only and must be checked on site by the main contractor before commencing works.

CDM Regulations - Where applicable the designers hazard identification sheets to be read in conjunction with all consultants drawings, specifications and existing record drawings. It is considered that a competent contractor will be able to identify hazards associated with the project from the information above, and take the necessary precautions to deal with any risks to health and safety.
