Dear Matthew Phillips,

Thank you for consulting Natural Resources Wales on the above application.

NRW have significant concerns with the application as submitted.

We require additional information, please refer the applicant/developer to the attached guidance notes (GN020 and GN021) in relation to poultry units. Site history is also needed, as well as the number of existing birds on site.

We look forward to being formally reconsulted when this information is available.

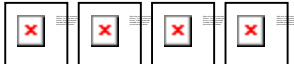

Kind Regards

Sion Williams
