Yes I recall this one. My answer was that only a requirement for primary.

Paula copy of email exchanges below for ease of reference.

Finally for today,

I had an application go to Committee on Monday just. Unfortunately I had referred to in my report that I was waiting for a response from education on this one but then didn't follow it up.

This is a small site – only likely to result in 4 or 5 dwellings. Matthew Phillips managed to get a resolution from Committee to seek the contributions if you say one is needed – but we can also grant if not.

Can you let me know what the position is here. Original request attached.

Thanks

Phil
