Annwyl/Dear Mr Isted,

**Application for listed building consent: West Arms Hotel, Llanrhaeadr Road,
Llanarmon Dyffryn Ceiriog**

Thank you for notifying us of this application for listed building consent for the demolition of existing extensions and the erection of a new two-storey extension.

The remit of the Royal Commission permits us to comment only on the historical significance and context of a monument or structure and on the adequacy or otherwise of the record. The West Arms was listed for its special interest as a prominent village building of strong vernacular character. The extensions proposed for demolition are of little or no architectural or historic character. We will not need to make a special record of these structures if consent for demolition is granted.

Yngywir/Yours sincerely,

Richard Suggett
