Your Ref P/2017/0888

Dear Mr Forster,

Proposal: Temporary change of use of land for car parking
Location: Land North of Trevor Basin, Off Tower Hill, Wrexham
Waterway: Llangollen Canal

Thank you for your consultation.

The Canal & River Trust (the Trust) is the guardian of 2,000 miles of historic waterways across England and Wales. We are among the largest charities in the UK. Our vision is that “living waterways transform places and enrich lives”. We are a statutory consultee in the development management process.

The Trust is the applicant for the proposed temporary change of use of land. The Trust has also reviewed the application in its capacity as a statutory consultee. This is our substantive response under the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Trust is **content** with the proposal which would provide a main visitor car and coach park to access the Pontcysyllte Aqueduct and Canal World Heritage Site and help to relieve pressure away from other parking areas closer to Trevor Basin.

If you have any queries please contact me, my details are below.

Yours sincerely
