Hi Mared

I went out this afternoon to look at this development. Gwersyllt footpath 14 runs to the east of the development and will not be affected. People are using the area of land between the end of Cedar Drive and footpath 14 as a cut through, but again I do not consider that people's use of this route will be affected.

Regards

Sean

Hi Sean

I am dealing with the above application, to which a PROW runs along the eastern boundary.

Can you let me know if you have any comments please – standard 21 day consultation period.

Thanks

Mared
